Gentlemen:

We are anxious to obtain for reproduction in The Century Magazine a photograph of the Calvin Medal. Have you the medal in your collection? and, if so, have you a photographer in your employ who could make a photograph for us? we, of course, paying all necessary expenses. If you have not the medal, could you advise us to whom to write for it? Your courtesy in extending us this assistance will be very much appreciated.

Very truly yours,

A. W. Drake

Mr. A. F. Drake,
Director, Art Department,
The Century Co.,
38 East 17th Street,
New York.

Dear Sir:-

Your favor of the 8th instant at hand. I find we have two Calvis medals, of which I enclose rubbings and descriptions. Should you desire to have either, or both, of these photographed, you are at liberty to do so.

As we have no photographer here, I would suggest that you meet up your own photographer. It might be well to call me up and let me know when he will be here so that I will be ready for him. Our telephone number is 2186 Audubon.

I trust that this will answer your purpose, I am, believe me,

Very truly yours

Director.

My dear Sir:

We thank you very cordially for your courtesy
in giving us the information concerning the Calvin medals.
We have written to our photographer, Mr De Witt C. Ward,
asking him to telephone you and make an appointment to
photograph the two medals mentioned. Will you tell him,
when he is in your office, the dates on which these med-
als were cast?

Very truly yours,
